Every day, Sutter VNA & Hospice provides physical, emotional, social and spiritual support to thousands of patients and their family members across Northern California.

We enable patients with limited life expectancy to receive care, in the comfort and familiarity of home, surrounded by the people and things they love. Our clinical care brings compassion and relief to patients and their families. Our caring volunteers provide companionship and support to patients most in need. Our bereavement programs and support groups help honor and cherish the memories of loved ones.
